Dear Property Owner:

The Morris County Board of Taxation and the New Jersey Division of Taxation has authorized the Borough of Riverdale to perform a reassessment for the 2027 tax year as part of the reassessment program that has been implemented within the Borough. This program will ensure uniform and equitable assessments throughout the municipality, account for the recent changes in the real estate market and significantly reduce costly tax appeals experienced in the past. The Borough has contracted Appraisal Systems, Inc. to assist in conducting the Reassessment Program.

As a requirement of the reassessment program, 30% of all properties within the Borough need to be inspected this year. In accordance with this requirement your property is scheduled to be inspected in the near future. **It is important to note that while only 30% of properties are being inspected this year; all properties in town will be valued.** The purpose of this inspection is to maintain accurate and current data regarding your property. Appraisal Systems, Inc. will be supplied with all current Property Record Cards (PRC's) maintained by the Assessor's Office and any recent construction permits issued by the Building Department. Appraisal Systems, Inc. representatives will carry photo identification and their names will be registered with the Police Department and the Borough Clerk's office. **Please do not allow anyone to enter your home without proper identification.** You will be requested to sign the field form used by the representative to acknowledge when an interior inspection is made. Please advise the occupants of any rental units you may own so they are prepared for the inspection.

Contactless interior inspections using a video conference will be available at the request of the property owner.

**If your property has a unique condition that influences value, please send documentation to Appraisal Systems, Inc., 139 Harristown Road, Suite 103, Glen Rock, NJ 07452 and it will be considered.**

Regardless of when a property is visited during this program, the new property values for 2027 will be determined based on their estimated market value as of October 1, 2026 (the statutory date required by law). All properties in town will be valued and all property owners will be notified by mail of their proposed assessed values and will have an opportunity to question/contest the values.

Any inquiries with respect to the inspection and/or valuation procedure should be directed to Appraisal Systems, Inc. at (201) 493-8530 or [riverdale@asinj.com](mailto:riverdale@asinj.com). General information about the process including the **Reassessment PowerPoint Presentation** can be found at [www.asinj.com](http://www.asinj.com) by clicking on "Current revaluation information" on the homepage and following the Riverdale link.

Sincerely,  
BOROUGH OF RIVERDALE
